The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number	Nature of Noncompliance
1	<p><b>Mandatory Condition:</b> The defendant shall not commit another federal, state, or local crime. On December 28, 2020, Stacy Ladon Brown was arrested by the Muskogee, Oklahoma, Police Department and charged with burglary in the first degree. According to the case report, officers were dispatched to the 5100 block of Denison Street in Muskogee, Oklahoma, in reference to shots fired. An officer made contact with Veronica Shanks who advised that Stacy Brown broke into her home again. It should be noted that on December 27, 2020, officers were dispatched to 5108 Denison Street, Muskogee, Oklahoma. Contact was made with Veronica Shanks who stated that Stacy Brown had made entry into her residence through the garage door without her permission. Ms. Shanks stated that she and Mr. Brown had been in a relationship and when she tried to end the relationship, he became angry. Ms. Shanks refused to give a written statement. On December 28, 2020, Ms. Shanks gave a verbal statement that she had been having problems with Stacy Brown and that he had broken into her house earlier in the week and assaulted her. Ms. Shanks stated she did not report the assault because she was scared of Mr. Brown. She advised that Mr. Brown arrived at her residence on December 28<sup>th</sup> and tried to force entry into the residence. Ms. Shanks took her kids to the back bedroom and locked the door. She stated that Mr. Brown entered the residence and was turning the bedroom doorknob. Mr. Brown left but came back a short time later. When he returned, he forced his way past two juveniles that were trying to keep the door closed.

Subsequently, when Mr. Brown entered the residence there was an altercation that took place between Mr. Brown and other individuals in the residence. According to witness statements, Mr. Brown was seen in possession of a folding knife and a black handgun. There were multiple shots fired and nine .357 caliber shell cases discovered outside the residence. One of the witnesses advised that there could have been as many as five males shooting at the same time. One of the witnesses believes that Mr. Brown shot a gun; however, she was uncertain.

On December 28, 2020, an officer made contact with Stacy Brown at his residence. Mr. Brown gave a verbal statement that he and Veronica Shanks had been in a relationship off and on for approximately a year. Mr. Brown explained that on December 27<sup>th</sup> he got into a fight and beat up a guy named Dae on Denison Street. Mr. Brown stated that Dae was claiming the fight was not fair and wanted him to come back to the house on Denison Street to fight again. Mr. Brown advised that he returned to the house on Denison Street and a tall white male had him step inside the house and then started running his mouth as if he wanted to fight. Mr. Brown did not initially see Dae in the house. However, a few moments later Dae came from a bedroom and shot at him. Mr. Brown advised that he ran to his truck and sped off. He reported that as he drove off, they continued to shoot at his truck.

According to the Muskogee County Jail, Mr. Brown was charged with 1<sup>st</sup> Degree Burglary on December 28, 2020, and was released on a \$10,000 bond on December 29, 2020.

**U.S. Probation Officer Recommendation:**

A hearing to be held to show cause why supervision should not be revoked. Further, it is recommended that transfer of jurisdiction be initiated to the Eastern District of Oklahoma so the revocation hearing can be held in the district where the defendant lives and where the arresting officer and witnesses live.

I declare under penalty of perjury that the foregoing is true and correct.

Supervising U.S. Probation Officer
